

## 03/09/10 - Haroset for Passover

Just as the Jewish slaves in Egypt under the rule of the Pharaoh, made endless numbers of bricks there are an endless number of haroset recipes. The haroset or the symbolic mortar held the bricks together. Since I was a child coloring in my picture book Haggadah shel Pesach, I always thought the best part of the Seder was making the Hillel sandwiches and spreading the haroset on the matza.
