

12/17/12 - Marmalade

Mineola Tangelo Marmalade

I posted this recipe last year ,and I thought it was worth bringing to your attention once again. The trees are full and it is a wonderful crop this year. What could be better than a morning treat, think scone or bisquit, with marmalade?

It is citrus season in the desert of Southern California. The fragrance of citrus flowers wafts through the dry desert air [\[click to continue...\]](#)
