

04/11/11 - Passover Vegetarian Kuftes

A wonderful vegetarian side dish, Kufte de Prassa without meat uses mashed potatoes to bind the leeks together in a patty rather than ground beef. My Nona used to make these and my mother, we call her Nona now, always talks about this dish with very fond memories. I think for immigrants on a very tight budget something made without meat was delicious and ingenious. [\[click to continue...\]](#)
